EDELWEISS CREAMERY
MONTICELLO, WI**

DESCRIPTION:

Butterkäse, originated in Germany and is made throughout Germany and Austria. Its name literally means “butter cheese,” because of its butter-like texture. Butterkäse is also called Damenkäse or “ladies cheese” because it is delicately flavored, odorless and complementary to most foods. Butterkäse is produced at Edelweiss Creamery in the Alpine tradition.

ABOUT:

Edelweiss Creamery is a small Wisconsin cheese factory employing state-of-the-art technology alongside the tried and true traditional method of cheese making. It was established in 1873 and is still at the same location. Their cheese brings you back to a time when the quality and the flavor was king!
